Carol Anderson, President of Money Quotient NP, is a shareholder and Board member in Money Quotient Inc, an S Corp, since 2001. The training and consulting operation within the non-profit had grown beyond the scope and appropriateness of the original purpose. Thus the Governing Board of Money Quotient NP, upon analysis of the situation, decided to sell the assets of that part of the program. Since MQ NP was already using proprietary intellectual property of MQ Inc, it was the natural buyer. Assets were valued by professional appraisal. She will remain as a minority share holder of Money Quotient Inc and Board member/Officer in Money Quotient NP.

Amy Mullen, Vice President of Money Quotient NP, will become the majority shareholder, a Board member, and an employee of Money Quotient Inc. She will remain a Board member/Officer in Money Quotient NP.

Form 990 - Organization's Mission

As a non-profit Section 501(c)(3) organization focused on education and research, our mission is to facilitate the exploration and implementation of an evidence-based approach to financial planning that engages individuals and empowers them to maximize their resources and live purposeful lives. We are founded on the belief that a multi-disciplinary, evidenced based approach to financial planning, education, counseling, and therapeutic processes will clarify best practices and promote successful client relationships. We facilitate innovative studies; form fruitful collaborations with researchers, scholars, and practitioners; and provide learning opportunities that facilitate a deeper understanding of both the emotional and practical factors that improve and enhance financial well-being and life satisfaction.

Form 990, Part III, Line 3

On May 1, 2020, we sold the consulting practice for financial professionals and the associated assets to a related organization as disclosed on Schedules L, N, and R. This allowed us to focus on our stated mission and develop on-line webinars and courses as well as collaborations of practitioners and academics to enhance our goals.

and practical factors that improve and enhance financial well-being and life satisfaction.

Money Quotient, NP provided training, consulting, tools and materials to approximately 250 financial professionals until May 2020 when that part of our activities was sold to our for-profit sister entity, Money Quotient, Inc. This transition has allowed us to focus more time, attention, and resources on our core mission.

In the 2nd half of 2020, we began offering webinars and online courses via 'MQ University' that facilitate a deeper understanding of both the emotional and practical factors that promote financial well-being and life satisfaction. Examples of topics include effective client communication, facilitating positive change, and understanding client motivations.

In addition, each session of these multi-week online courses include a reading assignment, a recorded lecture, online interaction with the instructor and students, and completion of an online learning assessment. All courses offer CFP Continuing Education Credit upon successful completion of the course requirements.

A new endeavor in 2020 was the establishment of the MQ Research Consortium- a collaboration of practitioners and academics from four universities. We also embarked on our first academic study as a group, " Developing & Maintaining Client Trust & Commitment in a Rapidly Changing Environment."
